

Quarterly Listing of Grant and Contract Awards Received For Award Dates October 1, 2012 through December 31, 2012

Arts & Letters

Principal Investigator: Vanessa Arnaud, Foreign Languages

Contact Information: arnaud@csus.edu, (916) 278-5379

Funding Agency: Cal Humanities, \$10,000

Project Title: *Sex Workers in Sacramento: Learning Their Stories*

California State University, Sacramento along with its community partner, Community Against Sexual Harm (CASH) is producing a film on prostitution in Sacramento. This film, "Sex Workers in Sacramento: Learning Their Stories", will be a semester-long project for a group of students in the senior capstone course, *Honors 103: Civic Engagement, Service Learning: Pursuing the Public Good*, of the General Education Honors Program in Spring, 2013. The film seeks to inform and raise the awareness of prostitution in our local community by interviewing those directly involved: sex-workers, HIV sex-worker survivors, "Johns" or "Tricks", Sacramento Police Department Officers, Oak Park Business Association, Public Defenders, and CASH staff.

Principal Investigator: Keith Bohm, Music

Contact Information: kbohm@csus.edu, (916) 278-5723

Funding Agency: National Endowment for the Arts, \$10,000

Project Title: *2013 Festival of New American Music*

With grant support from National Endowment of the Arts, the annual Festival of New American Music presents a variety of internationally renowned composers, soloists and ensembles offering an array of concerts augmented by informative previews, lectures, seminars, master classes and classroom performances at venues throughout the greater Sacramento area.

Principal Investigator: Patrick Ettinger, History

Contact Information: ettinger@csus.edu, (916) 278-6589

Funding Agency: CA Department of Water Resources, \$261

Project Title: *NCIC Record Searches for DWR*

Amendment to increase funding from \$5,000 to \$7,000.

Funding Agency: CA Department of Parks & Recreation, \$19,177

Project Title: *NCIC 2012/2013*

The North Central Information Center (NCIC) of the Historical Resources Information System is one of twelve Information Centers affiliated with the State of California Office of Historic Preservation. NCIC serves as the official repository for archaeological and historical information for Amador, El Dorado, Nevada, Placer, Sacramento and Yuba counties and supplies historical resources information to the private and public sector. This inventory includes thousands of pre-historic and historic archaeological resources and reports, files of the Historic Resource Inventory, and documents pertaining to the National Register of Historic Places, the California Register of Historical Resources, and the California Points of Historical Interest.

Principal Investigator: Kazue Masuyama, Foreign Languages

Contact Information: kmasuyama@csus.edu, (916) 278-5667

Funding Agency: University of California Regents, \$49,200

Project Title: *Capital World Language Project*

This program is an orientation for recently adopted California World Language Content Standards. Participants will review the structure and content of the Standards through activities designed to engage them in analyzing and evaluating the Standards as related to their practical application

Education

Principal Investigator: Mimi Coughlin, Teacher Education

Contact Information: coughlin@csus.edu, 916-278-4080

Funding Agency: Placer County, \$19,846

Project Title: *Teaching American History Grant*

The overall goals of the program are to support teachers to: 1) Identify the specific needs of their students based on data and 2) Identify and implement instructional strategies that have been shown to increase student achievement.

Principal Investigator: John Shefelbine, CA Reading & Literature Project

Contact Information: shefelbine@csus.edu, (916) 278-7537

Funding Agency: Sacramento City USD, \$24,786

Project Title: *Small Learning Communities*

For schools participating in the Small Learning Communities (SLC) Program, The California Subject Matter Projects will provide: an annual presentation to SLC Project Director of general plan for work; conduct teacher needs assessments; Complete monthly site-based contact hours as scheduled by each school site; Use and augment district adopted materials to plan instruction; Submit quarterly status report of CSMP activities with agendas, comments and recommendations; and Conduct 30 hour Summer content and Instruction Institute for eligible subject area teachers.

Funding Agency: UC Regents, \$46,331

Project Title: *California Reading & Literature Project*

The California Reading and Literature Project (CRLP) provides high quality, standards-based professional development in Reading and Language-Arts instruction to help ensure that every California student K-12 achieves the highest standards of academic performance. CRLP collaborates with partnership

Principal Investigator: Lynda Stone, Child Development

Contact Information: lstone@csus.edu, (916) 278-4326

Funding Agency: UC Regents, \$25,000

Project Title: *UC Links After-School Club*

UC links is a University of California Faculty initiative, established in 1996 to promote engaged scholarship and integrate the University's community service efforts with its teaching and research missions. For more than a decade, UC Links has been active as a collaborative network of university and community partners, operating after-school program sites that extend access to quality educational resources and activities for pre-kindergarten through twelfth grade (P-12) youth from underserved communities throughout California.

Principal Investigator: Pia Wong, Bilingual & Multicultural Education

Contact Information: wongp@csus.edu, (916) 278-4978

Funding Agency: CA Postsecondary Education Commission, \$192,024

Project Title: *Science, Math, Assessment & Learner Development Institute (SMALDI)*

The primary goals of this partnership are to improve teacher content knowledge and pedagogical practices, with a special focus on inquiry-based learning and the strategic use of assessment in improving instruction; to increase student learning in mathematics and science; and, to establish Professional Learning Communities at each school site to improve collaboration.

Engineering & Computer Science

Principal Investigator: Brian Currier, Office of Water Programs

Contact Information: bcurrier@saclink.csus.edu, (916) 278-8109

Funding Agency: Geosyntec Consultants, \$20,790

Project Title: *Monitoring Study Design Consultation Services*

BASMAA Study Design Services for Clean Watersheds for a Clean Bay (CW4CB) Task 4 and Task 5 will consist of the following; Technical On-Call Support during the design of stormwater retrofit projects; Study design of Municipal O&M enhancement pilot studies and coordination, On-Call technical Support and Oversight; Study design of treatment retrofit pilot projects and coordination, on-call technical support and oversight; and Project Management and progress meetings.

Principal Investigator: Jaime White, MESA Engineering Computer Science Program (MEP)

Contact Information: whitej@csus.edu, 916-278-5468

Funding Agency: Intel Corporation, \$5,000

Project Title: *Intel MEP Mentor Program 2012-2013*

Provides funding to the Intel MEP Mentor Program 2012-2013.

Health & Human Services

Principal Investigator: Robin Kennedy, Social Work

Contact Information: kennedyr@csus.edu, (916) 278-6943

Funding Agency: UC Regents, \$1,720,555

Project Title: *Title IV-E Stipend Program FY 12/13*

Provides matching funds from CALSWEC for stipends for Social Work students.

Principal Investigator: Bonnie Raingruber, Nursing

Contact Information: walkerbj@csus.edu, (916) 278-5417

Funding Agency: Consumer Self Help, \$20,843

Project Title: *Community Collaboration for Community of Care*

Principal Investigator: Francis Yuen, Social Work

Contact Information: fyuen@csus.edu, (916) 278-7182

Funding Agency: CA Rural Indian Health Board, \$24,000

Project Title: *HOOP: Healing Our Own People*

This is a program evaluation for the California Rural Indian Health Board's (CRIHG) Youth Suicide Prevention Project. A team of evaluator with different expertise will be brought together for this suicide prevention project.

Natural Sciences & Mathematics

Principal Investigator: Scott Farrand, Mathematics & Statistics

Contact Information: farrand@csus.edu, (916) 278-6129

Funding Agency: Placer County, \$14,490

Project Title: *PCOE MCAP Follow-Up*

California State University, Sacramento and Placer County of Education are partnering to provide training or coaches in observing and coaching teachers, and training for teachers in teaching fractions utilizing the California Common Core Standards, and employing strategies to engage all learners. CSUS will provide instructors to develop coaches and lead practicums with teachers.

Funding Agency: UC Regents, \$22,500

Project Title: *CSU Sacramento Mathematics Project Site*

Funds for an institute on Fractions Tier II: Common Core in the Classroom, Making Sense of Fractions. This institute will serve up to 25 teachers who have had already participated in CSUSMP professional learning activities about teaching fractions.

Principal Investigator: Judi Kusnick, MASE - NSM

Contact Information: kusnickje@csus.edu, (916) 278-4692

Funding Agency: UC Regents, \$30,477

Project Title: *CSMP NCLB9 - Sacramento Area Science Project*

This funding supports administration of Science in the River City, a series of academic year short courses for k-12 teachers. In this program, teachers come to Sacramento State to attend monthly workshops that teach both science content and science pedagogy, and attend a networking dinner with a speaker on current topics in science. The funding in this project supports a portion of the salaries for staff and student assistants to administer and implement the program. The funding also covers travel to statewide meetings of the California Science Project, which is part of the network funding the project, the California Subject Matter Projects.

Social Sciences & Interdisciplinary Studies

Principal Investigator: Timothy Fong, Ethnic Studies

Contact Information: tfong01@csus.edu, (916) 278-6802

Funding Agency: U.S. Dept. of Education, \$397,084

Project Title: *Scholarship, Leadership and Service: Where Opportunity Comes Full Circle*

This project highlights a comprehensive approach by CSU, Sacramento State, the Department of Ethnic Studies and the Asian American Studies program to implement a strategically focused, campus-wide effort to improve recruitment, retention, and graduation rates of Asian American and Pacific Islander (AAPI) students. The project will assist AAPI students throughout their entire college careers, and give them ample opportunity to engage in service both on and off campus to enhance their university experience.

Academic Affairs

Principal Investigator: Chevelle Newsome, Graduate Studies

Contact Information: cnewsome@csus.edu, (916) 278-2738

Funding Agency: U.S. Dept. of Education, \$219,996

Project Title: *McNair Scholars Program*

For the past 12 years, California State University, Sacramento has been awarded the McNair program funding. The prior success of the program in achieving its goals and objectives is discussed in the proposal and is well documented in the annual performance reports. The continuation of the McNair Scholars Program is critical to the current and future participants to reach their goal of entering and completing a doctoral program.

Principal Investigator: Michaeline Veden, Academic Technology & Creative Services

Contact Information: mveden@csus.edu, (916) 278-5756

Funding Agency: School Services of California, \$5,500

Project Title: *School Services of California Webcast*

Provides design services for a School Services of California webcast.
