2 – Listing of Grants and Contracts Received

Note: The first two columns display only when the 'Print Code Numbers on Report' prompt is set to 'Y'. Denoted above by shading.

① College

The college or organizational unit. Will optionally show the three digit college code in the first column.

② Proposal Number

Optional

For Proposal numbers starting with a 'P':

The Proposal number identifies a specific proposal or year of funding. The suffix after the dash represents the year of funding. (i.e. P00572-02 would represent the second year of funding for the award)

For Proposal numbers starting with two digits (i.e. 07-, 06-):

The proposal number identifies the award. The number underneath represents the year of funding. (i.e. 07-121-01, V3 would represent the third year of funding of that award.)

- ③ Department The department, center, institute, or division. *Will optionally show the Department Code in the second column.*
- ④ Principal Investigator The name of the principal investigator.
- ⑤ Funding Agency The name of the funding agency. *Will optionally show the funding agency code in the second column.*
- ⑥ Award Amount The amount of funding provided by the funding agency for the year. If the award does not provide funding separated by years, this represents the total award amount.
- ⑦ GL Account **Optional** - The UEI GL account number associated with this award.
- ⑧ Award Title The title of the award.

Sort/Organization

Awards received within the specified time frame are sorted and grouped by College, then Department, then Principal Investigator, and lastly by Project Number.

Subtotals are calculated for each department and college.

Note

This report may not reflect awards received in the last 30 days.
