

## Sacramento State Summer 2023 and Academic Year 2023-24

This list of dates and estimated hours is based on the Sacramento State academic calendar and is not intended as advice regarding the CSUCO and CFA rules related to the 125% limit for additional employment. This may serve as a tool to assist faculty and staff in determining both the start/end dates and the total hours for a faculty or staff agreement, to assist in complying with the [125% rule](#).
