

## REQUEST TO ESTABLISH ACCOUNT UEI University Support Program (USP)

New     Modify    Account#: \_\_\_\_\_

**PART I - GENERAL INFORMATION**

California Administrative Code Title V, Section 42500 authorizes the establishment of Auxiliary organizations to provide essential functions which are an integral part of the educational mission of the campus and California State University. This agreement is used to authorize the establishment of a project for programs and activities and other non-grant/contract funds. Signing this agreement also establishes the rights and responsibilities of the project account holder, University Enterprises, Inc. (UEI) and the University.

In signing this agreement, all parties acknowledge that it is the policy of the California State University that accountability and responsibility for campus activities and programs be clearly established, and that related receipts are appropriately placed and controlled in the University or auxiliary organization accounts in accordance with Integrated CSU Administration Manual (ICSUAM) Section 13680.00 and Executive Order (E. O.) No. 1059, University Policy PRS-0101, and the [University procedure for establishing campus activities or programs](#). UEI must have ownership over all programs or activities it administers. Indications of ownership include, but are not limited to: authority and discretion to contract for services; responsibility for business losses; acceptance of legal liability; acceptance of fiduciary obligations; responsibility for policies governing the activity or program; primary control or discretion over expenditures. All projects must comply with the guidelines, policies and procedures of UEI which can be found on the UEI website. Campus Programs accounts will be reviewed at least every five years to ensure that the purpose is in compliance with University and UEI operating agreements, and a new signed account agreement will be required if the purpose of the account is still deemed appropriate.
